**RE: LAST MINUTE SOCIAL RESPONSIBILITY – SCHOOLS REQUIRING UNIFORMS**

The Lungi Foundation is an NPO with registration number **053-368** founded in 2007 by Miss Lungi J Naidoo with the sole purpose of providing a link between potential sponsors and the schools in dire need.

We would like to awaken awareness about the poor conditions in which these schools are in and facilitate assistance in the form of our newest project called “Dress A School Child” in order to bring love and hope to the children at these schools especially now as we approach this cold and rainy winter.

We would like to encourage business and the community at large, to participate in this charitable and noble cause.

Over and above availing ourselves for a presentation meeting with you, we would also make a provision as follows:

**REPORT WITHIN 30 DAYS** — Give you a report within 30 days, or how your contribution was used or, if not yet used, the plan for the use thereof.

**PRESS RELEASE** — forward you an official Lungi Foundation press release with high quality footage (JPEG and AVI where applicable) for use in your CSI reports and publications.

Here at *The Lungi Foundation*, no contribution or donation is too small. We trust that you will find the *attached profile* as useful in giving you a high level view of our organization and its activities, past, current and planned, as *well as a detailed request form with information about the schools for the “Dress A School Child” project.*

Looking forward to your most valuable contribution, no matter how small ... to bring a smile of hope to at least one previously disadvantaged learner.

Thanking you in advance
